REPORT OF OFFENDER NON-COMPLIANCE

NON-COMPLIANCE SUMMARY

The purpose of this report is to advise the Court of an alleged violation of the terms of supervision. The Probation Officer has developed a plan to dispose of the alleged non-compliance with action less than revocation, and the Court is requested to approve the plan to address the non-compliance.

1. NEW LAW VIOLATIONS

Details of alleged non-compliance: On February 6, 2006, the defendant began his term of supervised release in the Central District of California. The supervising probation officer recently advised that, on September 3, 2007, the defendant was arrested for the violation of California Penal Code section 12031(a)(1), Carrying a Loaded Firearm in Public. Officers observed the defendant in possession of a loaded, semi-automatic revolver. He fled from officers but was arrested a short time later.

Officers also recommended that the defendant be charged with the violation of California Penal Code section 186.22, Participation in a Criminal Street Gang, since they believe the defendant was carrying the firearm for the benefit of the 62nd Street East Coast Crips street gang. The defendant has been released from custody pending adjudication.

United States Probation Officer Plan/Justification: The defendant's probation officer in Los Angeles indicated, aside from the recent arrest, the defendant had been in compliance. The officer asks that the Court be advised of the arrest, but no formal action be taken until the case is adjudicated. The officer will continue to monitor the case and the Court will be advised of a disposition and a recommended action.
